About Me

A dedicated and passionate developer with 2+ years of experience in software development. Skilled in client communication, requirement gathering, and problem-solving. Quick to adapt and connect with new teams, with a strong focus on delivering reliable, efficient solutions.

Professional Experience

Stridely Solutions India Pvt Ltd

July 2022 – December 2024

- Approval System(Angular, .Net, MSSQL)
- CMI API (.Net6/.Net8, MSSQL/Oracle)
- Tekla Open API(.Net 4.7, WPF, MVVM)

Infinite Software Services Nepal Pvt Ltd

January 2025 – Present

- Here I am working on multiple projects. These projects use .Net Core, Angular and Oracle as their basic programming language. The projects can not be disclosed because of compliances.

More of Me

Helpful and dedicated by nature, I thrive in both collaborative and independent work settings. I enjoy every aspect of software development — from solving complex problems to mentoring and system design. In my free time, I work on side projects and unwind by listening to classic Nepali and Hindi songs. I'm also a licensed IT engineer in Nepal, committed to continuous learning and professional growth.
